Carrie:

Can you post the following announcement below to the NWG? Email would be fine, and you can put it on the NWG website as you see appropriate. I will be leaving soon and gone until Tuesday.

The Nutrient Work Group will hold a Subgroup meeting on November 2<sup>nd</sup> to discuss 'Economic Impacts on Private Firms having to meet Nutrient Criteria in Montana'. The meeting will take place from 8:30 to noon in Room 111 in the Metcalf Building in Helena, MT.

A basic agenda is provided below. A more detailed agenda will be released a couple of weeks before the meeting. Agenda topics can also be added as appropriate.

Agenda:

- 1) What existing EPA guidance on private firms should be used in the Demonstration?  
(Profitability, liquidity, etc.)
- 2) What new ideas/metrics should be used in the Demonstration?
- 3) Data concerns
  - a. List of data needed at the plant level
  - b. Legal concerns over data confidentiality

For more information, please contact Jeff Blend at (406) 841-5233

Both. When you're ready just send me the name of the subgroup, the announcement, give me what you need posted to the web and I can take care of the posting and the e-mails to the Nutrient Work Group and the interested parties.

Thanks

Carrie:

I want at some point to announce a sub-group NWG meeting to the entire NWG group. When I have an announcement made up, how do I do that (post it on the web page and/or email everyone)?

**Subject:** December Nutrient Work Group Meeting

Good afternoon. Mike Suplee asked me to set up the Nutrient Work Group meeting for December 13<sup>th</sup>, however; we find there are no rooms available to fit the group. Room 111 would be available for Thursday, December 15<sup>th</sup>. Would that date work for everyone?

Please get back to me by October 7<sup>th</sup> let me know if December 15<sup>th</sup> will work for you.

Thanks

Carrie Greeley
